00201741 "High Power" Power Pack, 65 W, 20000 mAh, 2x USB-C, USB-A, Fast Charging

Highlightstext:

- Charging in the champions' league: out and about a lot and got a flat battery? With the powerful power bank's fast charging function, laptops, tablets, mobile phones, Bluetooth speakers, Bluetooth headphones, smart watches and digital cameras are ready for action again at high speed
- Power in best time: a full 65 Watts of maximum output power quickly revs up even powerful devices such as laptops, gaming notebooks and high-performance smartphones
- Powerbank provides a power boost on the go; the mobile charger can charge three devices simultaneously via two USB-C sockets and one USB-A socket
- Fast charging technologies Power Delivery and Qualcomm® Quick Charge™ 3.0 guarantee extra-quick charging, faster than with conventional chargers
- Optimised charging protects the battery and therefore prolongs the lifespan of mobile phones, tablets, etc.
- Certified cells for maximum quality and safe charging: overcharge, overvoltage, overheating and short circuit protection
- Detailed data at a glance: the high-quality TFT colour display of the Fast Charge powerbank shows the percentage of energy left in the mobile charger and the output power of the individual sockets and the total power in Watts
- Maximum compatibility for all mobile phones, tablets and other devices, e.g. smart watch, digital camera or Bluetooth headphones
- For the little ones: the power pack also recognises less power-hungry devices and supplies them with new energy by switching to low power mode
- Lots inside, very little fuss: the mobile charger fits in any pocket and hand luggage
- Packaging with a clear conscience: our packaging is 100% plastic-free, enabling us to reduce plastic waste and increase its recyclability
- FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood
- Full again in no time: via the USB-C connection, the power pack can be fully charged in 2.1 hours, high-quality and powerful USB-C charging cable delivering 240 W, length 0.50 m
- Multi-tasking: simultaneously charge devices and the power pack
- The mobile rechargeable battery is the perfect accessory for work, uni or school as well as festivals, trips and camping - easily charge quickly anywhere, be it on the move, indoors or outdoors
- 2x input = output: USB-C
- 1x output: USB-A

Note for Consumers:

The device delivers a total charging power of max. 65 W. If two devices are connected simultaneously to the USB-C socket, the charging power is divided into 45 W and 20 W. If all three sockets are occupied, the two USB-C connections charge at 45W and 7.5W, while the USB-A socket charges at 7.5W.
