

6 ft 180° Rotating High Speed HDMI Cable - HDMI - M/M

StarTech ID: *HDMIROTMM6*

The HDMIROTMM6 High Speed HDMI® Swivel Cable (6 ft) features two gold plated 180° flexible HDMI connectors, which provide a direct link between HDMI-enabled devices such as Blu-Ray players, HDTVs, DVD Players, stereo receivers and more.

The swiveling/pivoting HDMI connectors offer the ability to adjust your installations in tight/narrow spaces where standard connectors will not fit (e.g. wall-mounted flat panel televisions), without having to bend the cable at sharp angles.

This high quality HDMI cable fully supports 1080p+ resolutions at up to 120Hz refresh rate, with life-like color. To accommodate the demands of future high definition devices, such as increased resolutions and higher frame rates, this Ultra HD cable supports resolutions up to 4k x 2k.

The HDMIROTMM6 6-foot HDMI cable is backed by StarTech.com's Lifetime Warranty.

About StarTech.com HDMI to HDMI Cables:

StarTech.com High Speed HDMI digital video and audio cables are expertly designed and constructed of only top quality materials to ensure high quality, high definition performance. The HDMI standard combines high bandwidth video and multi-channel digital audio into a single cable, and provides crystal clear image resolution.

Applications
