ARTICONA Paper-Feel iPad 11 (2025) Film

Article number: 4989819

Enhance your tablet drawing and writing experience with the ARTICONA paper-feel screen protector.

Designed to simulate the natural resistance of paper, it provides a realistic and precise writing experience when using a stylus.

The matte, anti-reflective surface reduces glare from ambient light, allowing you to work comfortably in any environment.

At the same time, the protector offers reliable protection against scratches, fingerprints and dust while maintaining excellent transparency and high touch sensitivity.

Highlights

- Natural paper-like writing and drawing experience
- Precise stylus control with improved tactile feedback
- Matte, anti-reflective surface reduces glare
- Protects against scratches, fingerprints and dust
- High transparency and touch sensitivity
- Compatibility: Apple iPad 11 (2025, A16)
