

## BoostCharge Pro 140W 4-Port GaN Wall Charger

Power a laptop and three additional devices with our 140W 4-Port GaN Wall Charger. Three USB-C PD ports with PPS offer fast charging for all compatible devices, with a convenient USB-A port for standard charging. You can charge a MacBook Pro 16" at full speed, or fast charge an iPhone and iPad while charging two additional devices at the same time. It supports a wide range of devices including Apple Watch and Samsung devices, as well as other USB-C smartphones, tablets and laptops. Built-in overvoltage protection and 177 separate tests for safety assure your devices are safe while they charge. Travel-friendly interchangeable plug tips and carry bag are included (BT SKU only).
