

PLASMA-C100D

NEWSTAR FLAT SCREEN CEILING MOUNT

The NewStar ceiling mount, model PLASMA-C100D is a dual-sided tilt- and swivel ceiling mount for flat screens up to 60".

The NewStar ceiling mount, model PLASMA-C100D is a dual-sided tilt- and swivel ceiling mount for flat screens up to 60". This mount is a great choice for space saving placement or when wall mounting and floor placement is not an option.

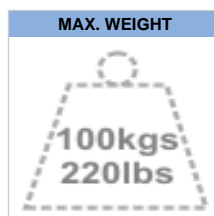

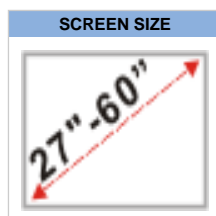

NewStars' unique tilt (25°) and swivel (60°) technology allows the mount to change to any viewing angle to fully benefit from the capabilities of the flat screen. The support is easily height adjustable from 67 to 107 centimeters. If different heights are needed extension poles are available. A unique cable management conceals and routes cables from ceiling to TV. Hide your cables in the column to keep it nice and tidy.

NewStar PLASMA-C100D has one pivot point and is suitable for screens up to 60" (150 cm). The weight capacity of this product is 100 kg. The ceiling mount is suitable for screens that meet VESA hole pattern 200x200 to 800x450mm. Different hole patterns can be covered using NewStar VESA adapter plates.

All installation material is included with the product.
