

The Fairphone (Gen. 6) Screen Protector

More protection for your display. More privacy for your screen.

Standard

Made with Xensation technology

Handles scratches and minor falls easily.

Feels natural

Near-invisible regular protector

Privacy filter available

Keep your screen for your eyes only

Defends your display

Shield your Fairphone with Xensation technology made by Schott. It protects against everyday scratches, bumps, and drops—keeping your screen sharp, smooth, and crack-free. Easy to apply, and practically invisible.
