CRYSTAL-CLEAR AUDIO AND HANDY IN-LINE CONTROLS

The H390 USB Headset lets you experience clear internet calls with a simple plug-and-play USB connection and a noise-cancelling mic that minimises unwanted background noise for clear conversations. Laser-tuned drivers deliver enhanced digital audio from your favourite music and games. The rigid, left-sided mic can be positioned for better voice capture and the moveable boom can be tucked out of the way when you're not using it. Simple controls on the headset cord let you adjust the volume or mute calls without disruption. The adjustable headband features swivel-mounted, leatherette ear cushions for hours of comfort. It is easy to clean, too.

WHAT'S IN THE BOX

- USB computer headset
- User documentation
- 2-year manufacturer's guarantee

FEATURES

- Digital stereo sound
- Noise-cancelling mic
- In-line controls
- Padded comfort
- USB connection

SPECIFICATIONS
