

ARTICONA is Bechtle's own brand of IT accessories for the modern workplace and stands for quality and reliability in everyday business.

ARTICONA 86 Interactive Display

Article number: 4732490

The ARTICONA 86 Interactive Display is a touchscreen with a generous screen size of 218.4 cm (86.0 inches) and a UHD resolution of 3,840 × 2,160 pixels.

With a contrast ratio of 1200:1 and a brightness of 400 cd/m2, this display delivers sharp images and vibrant color reproduction.

The backlighting is provided by Direct LED technology for optimal image quality.

The touch technology is based on infrared (IR) and allows for precise and responsive touch control.

This display offers a wide range of connectivity options, including HDMI 2.0, HDMI 2.1, DP 1.2a, VGA, and more. Additionally, there are numerous USB ports and RJ-45 connections for extensive connectivity options.

This interactive display runs on the Android 13 operating system and offers a variety of features, including whiteboard software and eShare Pro for wireless sharing.

The ARTICONA 86 Interactive Display is the ideal solution for presentations, training, and interactive applications in businesses and educational institutions.

Package Contents:

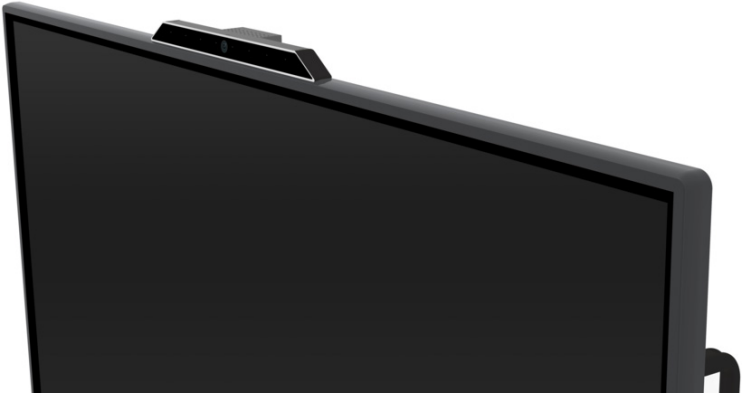

- 2x Stylus
- Remote Control
- Mount
- HDMI Cable
- USB Type A - USB Type B Cable

Specification

Product Name	ARTICONA 86 Interactive Display
Product Type	Interactive Touchscreen
Display Size	218.4 cm (86.0 inches)
Physical Resolution	3.840x2.160 4K UHD
Contrast Ratio	1.200:1
Brightness	400 cd/m²
Panel Technology	LED
Touch Technology	Infrared
Viewing Angle	Horizontal/Vertical: 178°/178°
Backlight	White-LED
Input Signals	1 x DisplayPort (digital), RS232, VGA (analog), OPS-Slot 3 x HDMI (digital), USB-C / 5 x USB-A
Additional connectors	HDMI-out, RJ45, Optical digital audio, Analog audio
Wireless Features	WLAN, Eshare screensharing
Color	Titanium Silver
Speakers	2x 15W (Stereo)
Features	Whiteboard function, Blue light filter, Flicker-Free, integrated 8 array microphone, Full HD 13 megapixel AI camera
Protection Rating	IK07,IP41,Data protection and information security certified / ISO27001
Operating Hours (up to):	24 hours/day (continuous operation)
Operating System	Android
Operating System Version	11
VESA Mounting Standard	800 x 400 mm
Certifications	ENERGY STAR 8.0
Power Consumption	380 kWh/1000h
Power Consumption (Standby)	< 0,5 W
Weight	74,2 kg
Weight with Stand	95,0 kg
Manufacturer Warranty	2 Years Bring-In"
Special features	NFC sensor / optional trolley / Antibacterial coating / New etched "Gorilla" Glass 9H (anti-glare) / Detachable "docking-station" / New wireless sharing with "Satisview Server"
