

## DATASHEET

# LOGITECH SYNC PLUS

Keep your workforce connected by ensuring your Logitech video collaboration devices are healthy and up to date. With Sync Plus you get access to premium features such as deep insights into how your rooms are being used and instant email alerts directly to your inbox if any of your devices become disconnected.

## SYNC PLUS FEATURES

Use Sync insights on room usage, occupancy, and more to gain a deeper understanding of how your organization meets and to make better use of meeting spaces and real estate.

Real-time alerts help you stay on top of your video collaboration devices by getting notified if something is out of the ordinary. By configuring alerts for a variety of room and device statuses you get notifications through either email or by leveraging our integration with ServiceNow, helping you maximize availability and uptime for your meeting rooms.

Sync Plus licenses can be added to any or all of your meeting rooms on an annual basis.
