

HP PageWide Enterprise Color 556 series

Significant value, speed and security for leading enterprises^{1,2,3}

Remarkable value for today's enterprise – HP PageWide Technology delivers phenomenal speeds¹ and extensive security² for a low total cost of ownership in its class.³ Count on productivity and end to end multi-level security.²

Professional colour, low total cost

- Results you expect and lasting value – for a low total cost of ownership.³
- Print professional-quality colour on a variety of papers – perfect for office use.
- Print up to 2.5x more pages⁴ and replace less often than standard cartridges⁵ with high-yield options.
- Minimise time and budget spent on scheduled maintenance with streamlined HP PageWide Technology.⁶

Enterprise productivity at phenomenal speeds¹

- Wait less and do more with our best-in-class speeds – as fast as 75 ppm in colour and black-and-white.¹
- Grab the documents you need and go. This device prints first pages in as fast as 7.1 seconds.⁷
- NFC touch-to-print and encrypted wireless direct help keep mobile printing seamless and protected.^{8,9}
- Equip employees to breeze through tasks with the adjustable 10.9 cm (4.3-inch) colour touchscreen.

Comprehensive security fleet management²

- Embedded features detect security threats and heal your printer, protecting it from boot up to shutdown.¹⁰
- Help protect data on the printer and in transit, using embedded security features and 256-bit encryption.¹⁰
- Help build business efficiency with HP Web Jetadmin,¹¹ plus deploy over HP and 175 third-party solutions.
- Employ policy-based, fleet-wide protection features, using optional HP JetAdvantage Security Manager.¹²

Proven technology. Great energy efficiency.

- Minimise downtime with HP PageWide Technology that delivers reliable performance businesses demand.
- Print up to 16,000 colour pages and up to 20,000 black-and-white pages – and go longer between replacements.⁴
- Conserve with HP PageWide Technology – designed to use significantly low energy than any printer in its class.¹³
- Get professional-quality colour documents and the performance you expect with Original HP PageWide cartridges.

¹ ISO speeds measured using ISO/IEC 24734. Excludes first page or first set of ISO test pages. For details see <http://www.hp.com/go/printerclaims>.² Exact speed varies depending on the system configuration, software application, driver and document complexity.³ Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPS to satisfy the demands of connected individuals or groups.⁴ HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.⁵ Not all "Compatible Operating Systems" are supported with inbox software. Full solution software available only for Windows 7 and newer. Legacy Windows Operating Systems (Vista and equivalent servers) get print and scan drivers only. Windows RT OS for Tablets (32-bit/64-bit) uses a simplified HP print driver built into the RT OS. UNIX models/scripts are available on <http://www.hp.com> (models/scripts are printer drivers for UNIX operating systems). Linux systems use in-OS HPLIP software. HP Software for Mac is no longer included on the CD, but can be downloaded from <http://www.hp.com>. The Mac printer drivers are installed for Mac operating systems.⁶ May require a firmware upgrade to be compatible, download at <http://www.hp.com/go/support>.⁷ Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty.⁸ Average colour composite (C/M/Y) and black declared yields based on ISO/IEC 24711 and continuous printing. Actual yields vary considerably based on images printed and other factors. For details see <http://www.hp.com/go/learnabouthsupplies>.⁹ All HP media listed as compatible with the printer in the HP DesignJet Printing Supplies Compatibility Guide, regardless of weight, may be used.
