

Wall brackets

00118078 TV Wall Bracket for Portrait and Landscape Format, 203 cm (80"), black

Highlightstext:

- TV bracket with portrait and landscape function makes the flat screen the ideal presentation medium, suitable for screen diagonals from 94 to 203 cm (37" - 80")
- 360° function for portrait and landscape format: with the rotation function, you can flexibly adapt the TV to the way you use it - ideal for conference and presentation rooms, trade fair construction and video walls
- Unobtrusive mount makes the bracket disappear inconspicuously behind the television
- For mounting on a wall by means of dowels and screws
- For mounting via the VESA holes on the back of the TV
- Tested safety: exacting stress, stability and functional tests guarantee high quality standards
- Easy handling: pull on the unlocking cord to release the fixing mechanism, then set the TV in the desired portrait or landscape format, release the cord and allow it to engage
- Tested according to the criteria of a recognised testing body for use in public places, such as in hotels or conference rooms
- Exceptionally convenient and space-saving for optimal positioning of the flat screen TV in every room
- Supports all VESA standards up to 600 x 400

Note for Consumers:

In addition to the various installation accessories delivered in the package, we also recommend the following tools: drill, pencil, screwdriver, power screwdriver, measuring tape, open-end spanner, spirit level.

The dowels and screws supplied with this TV wall bracket are only suitable for concrete and solid brick walls. Please check your wall before commencing installation. If the wall is made of any other material, please find suitable plugs and screws from a specialist retailer.

To be able to use the full range of motion, route the cable to the fully extended TV wall bracket and ensure that there is sufficient room for the cable to move.
