

## Passive holder with tilt swivel

Fits the device with original skin.

Item no: 711434

EAN Number: 7320287114348

With your tablet in a holder attached in your car you will always have it within easy reach. Safe, neat and convenient! You have full access to the camera and all buttons and outlets when the device is in the holder. You can connect a charging cable to the device when it is in the holder. The passive holder has a perfect firm fit for device with original skin.

The holder is mounted onto a tilt swivel. This means that you can adjust the angle in order to avoid light reflection on the screen. You can easily switch between portrait and landscape mode by turning the holder into desired position. It is easy to put the device into place in the holder, and to take it with you when leaving the car. Tilts 17° and swivels 360°. Mounting plate 42x50 mm with 4 mm AMPS-holes. Made of high grade black ABS/Acetal plastic. Made in Sweden. Attach onto a Pedestal mount or a headrest mount.

Choose installation placement with care, devices must not be placed in positions where they may block the view or important controls. The cradle should only be attached onto a suitable place. Installations always take place at the customer's own discretion and responsibility.
