Lenovo

Lenovo V100

It's time for all-in-one convenience, solid productivity, and seamless remote collaboration—all at exceptional value. The new 23.8" Lenovo V100 introduces the quality, innovation, and reliability of Lenovo to a new generation of everyday work warriors. The modern, slim design in Eclipse Black and FHD three-side borderless display meet today's demanding standards for striking aesthetics and unyielding performance.

Powered by the Intel® N100 Processor to deliver optimal performance across a spectrum of tasks, this Lenovo all-in-one is ready for all-day data-crunching and collaboration. With DDR4 memory, you'll press through your daily tasks with ease. Plus, the built-in dual mic and up to 5M camera, along with a tiltable stand, make this high-value AIO a must-have in any industry.

Lenovo V100

SOLID PRODUCTIVITY

All-in-one desktop computing power is now an all-in experience, thanks to the remarkable value and unyielding performance of the Lenovo V100. Tailored to meet your needs and align with your budget, the Lenovo V100 is fueled by the Intel® N100 Processor to deliver optimal performance across a spectrum of tasks. The 23.8" FHD 16:9 IPS three-side borderless display brings your activity to life in vivid color and clarity, whether you're working on a spreadsheet or having a video conference. With up to 16G DDR4 memory and up to 512G SSD storage, there's no pause on productivity.

SLEEK, MODERN DESIGN

This all-in-one is the perfect fit for any contemporary office, with its slim form in stunning Eclipse Black. The three-side borderless screen and bump up for the camera maximize your bold view. The sleek aesthetics complement the impressive performance that will help streamline every task of your workday. Just as impressive are Lenovo's Sustainability Services, embedding sustainability into every stage of the device lifecycle, from design and manufacturing to use and return.

GREAT USER EXPERIENCE

Collaborate and stream with confidence with Intel® Wi-Fi 6, next-gen integrated Intel® UHD Graphics, and enhanced Image Processing Unit (IPU 6). The built-in 5M camera¹ with physical shutter, dual mic, and speaker bring clarity of sight and sound to every virtual interaction. Plus, you can set the screen at just the right angle, thanks to the tiltable stand. The Kensington™ Lock slots provide physical security to protect against theft.

Lenovo V100

Lenovo Services

Lenovo offers support for all your devices and your commitment to sustainability.

PREMIER SUPPORT

As IT budgets contract, you need to reduce complexity, decrease operational costs, and find ways to increase efficiency from your in-house IT support teams. Lenovo™ Premier Support manages routine support tasks, freeing IT to focus on strategic efforts that move the organization forward. Boost end-user productivity and limit downtime with direct access to elite Lenovo engineers who provide unscripted, advanced hardware and software support.

LENOVO CO₂ OFFSET SERVICES

Lenovo's CO₂ Offset Service makes offsetting carbon emissions simple and within the control of the customer. We offset the carbon emissions across the average lifecycle associated with each of our devices by providing the option at point of purchase. These offsets help support climate action projects verified by United Nations, Gold Standard®, and Climate Action Reserve.

ASSET RECOVERY SERVICE (ARS)

Lenovo's Asset Recovery Services (ARS) enables secure destruction of data, helps reduce e-waste, and offers a fair market value for your end-of-life IT assets. The service also supports equipment from any manufacturer including PCs and tablets, monitors, servers, phones, printers, copiers, and networking equipment.

Accessories

Lenovo USB-A Wired Stereo Headset Gen 2

Experience superior all-day comfort and exceptional audio performance. This headset delivers a high-quality microphone and noise-canceling features that ensure clear, distraction-free conversations.

PN: 4XD1P83425

Lenovo Essential Wireless Combo Keyboard & Mouse Gen 2

Blending functionality, comfort, and sustainability for today's professional, this slim 2.5-zone keyboard offers a premium typing experience with silent keys, while the standard-size mouse with 2.4 MHz receiver complements it in both design and utility.

PN: 4X31N507xx

Kensington 23.8-inch W9 TIO 24 Infinity Screen Monitor Privacy Filter by Lenovo

This monitor privacy filter narrows the viewing angle to +/- 30 degrees for privacy, reduces blue light by 30% to ease eye strain, and features a dual-surface design—matte to minimize glare and fingerprints, and glossy for clarity.
