Thunderbolt™ 3 Dock – Core

The world's first Thunderbolt™ certified, dual-powered dock is fast, high-definition, and versatile. The Thunderbolt™ 3 Dock Core offers convenient compatibility to bring the benefits of Thunderbolt™ 3 technology to both Mac and Windows laptops. 40Gbps transfer rates, charging with up to 60W of pass-through power, dual 4K 60Hz monitor support, and multiple ports for peripherals offer expanded desktop solutions. The dock connects to any Thunderbolt™ 3 laptop through a tethered Thunderbolt™ 3 cable. The small footprint delivers the flexibility of an expanded desktop without taking up too much space.

Technical Specifications

- 1x DisplayPort™ 1.4 connects to high-resolution monitors/displays
- 1x HDMI® (HDMI 2.0) port
- Gigabit Ethernet connection
- Pass-through power supports charging (up to 60W) to connected devices
- 1x USB-A 3.2 Gen 2 (10Gbps) and 1x USB-A 2.0 port for devices that connect via USB-A such as a mouse, keyboard, or printer
- Audio in/out for mic and speaker support
- 1x USB-C PD port (input)

Dims

- W: 100mm/3.94 in.
- L: 100mm/3.94 in.
- H: 30mm/1.18 in.
- Cable length: 20cm/7.87 in.
- Weight: 213.8g

Compatibility

Our docks are designed to be compatible with all Thunderbolt™ certified hosts (dependent on OS version) and peripherals.

Package Includes

- Thunderbolt™ 3 Dock – Core

Thunderbolt™ 3 Dock – Core

Product Benefits

- World's first Thunderbolt™ certified dual-powered dock.
- Offers the benefits of Thunderbolt™ 3 technology through a single, tethered cable, including fast data transfer at 40Gbps.
- Supports Thunderbolt™ 3 for universal compatibility with Windows and Mac laptops.
- Supports dual 4K 60Hz monitors, or a single 5K monitor at 60Hz and capable of reaching 8K 30Hz.
- USB-C PD port supports pass-through charging up to 60W for connected devices without a separate AC cable.
- Multiple ports connect peripherals/other devices:
 - 1x Tethered Thunderbolt™ 3 cable connects to a Thunderbolt™ 3 laptop
 - 1x USB-C PD port
 - 1x DisplayPort
 - 1x HDMI (HDMI 2.0) port
 - 1Gb Ethernet for a reliable, hardwired Ethernet connection
 - Audio in/out for mic and speaker support
 - 1x USB-A 3.2 Gen 2 (10Gbps) and 1x USB-A port

The Belkin CONNECT Family

CONNECT products are all about making connections. From cables that charge and share data, to docks that bring devices together for a more streamlined experience, CONNECT delivers data in the most efficient way possible, while maintaining the highest levels of quality. The very first product Belkin released to market was a cable, and we are proud to say that making connections has been an essential part of our story ever since.

The Belkin CONNECT Family Characteristics

- One-cable solution to connect essential peripherals to a computer
- Multiple ports provide fast, simultaneous connection
- Connect and sync through a single cable
- Certified by relevant bodies for compatibility (examples include USB-IF, MFi, Intel)
- Support maximum speeds allowed by hero protocols (Thunderbolt™ 2, Thunderbolt™ 3, USB-C) to fully utilize up-to-the-minute advances in technology
- Intuitive designs provide highly efficient “mini-office” solutions
- Support high-definition protocols for an enhanced visual experience

The Belkin Difference

- Pioneer in innovation and technology for over 35 years
- Designed as a versatile, viable solution for professional workplaces
- Developed from our Thunderbolt™ 3 Express Dock HD, CES 2018 Best of Innovation Awards Honoree
- Lasting performance, quality, and durability assured by rigorous testing
- Environmental testing ensures your devices stay safe, even when conditions change
