Delock USB-C™, HDMI or mini DisplayPort to 4K HDMI Adapter Cable 1.8 m

Description

This adapter cable by Delock can be used to connect a projector or monitor with HDMI input to a laptop with **HDMI**, **USB Type-C™** or **mini DisplayPort** interface.

Ideal for conference room
By using this cable solution, no additional adapter is required in the **conference room**. The corresponding connector can be used depending on the user's requirements. The adapter can also be used in **classrooms or lecture theatres**, where the tutor can simply connect the laptop to the appropriate port.

HDMI Ultra HD resolution
The HDMI output supports a maximum resolution of up to **3840 x 2160** pixels at 60 Hz, furthermore the audio signals can also be transmitted.
