

DELL ESSENTIAL BACKPACK 15 – ES1520P

Stay safe on the go

REFLECTIVE AND SAFE

Designed with reflective prints on the front panel, the backpack stands out in low-light conditions, shining brightly when hit with direct light, making you more visible to others when you are navigating busy streets and sidewalks.

ROOMY WITH HIDDEN ZIPPERS

Compact yet roomy enough to hold and protect your laptop and essentials, the backpack comes with a zippered front pocket and exterior side pockets to keep your belongings within reach. Zippers neatly concealed below the shoulder straps help avoid unwanted opening of your backpack.

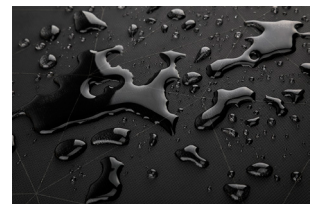

LIGHTWEIGHT AND COMFORTABLE

Grab the padded top handle and be on your way or sling the backpack over your shoulders to go hands-free. An air mesh back panel and adjustable padded shoulder straps keep you cool and comfortable while carrying the backpack.

Features & Technical Specifications

A bright, reflective graphic on the front of the backpack offers improved visibility during low light commute

Made of water-resistant outer material
