Lindy Power Cables are high quality, reliable power delivery connections for use in a wide variety of professional and home environments.

The Schuko Extension cable is perfect for the extension of Schuko connections. The coupler has a child guard to prevent objects from being inserted.

The brass used in the connectors has a lead content of far below 0.1% and is therefore SVHC-free, as are all other materials used in these cables.

Please note that this cable is for use in dry areas only.

Schuko Mains Extension Cables are available in the following lengths: 3m, 5m and 10m.
