

Wireless Charger

00201678 "FC10 Motion" Car Mobile Phone Charger, 10 W, Wireless, Qi Charge, black

Highlighttext:

- Wireless and efficient in the car: Charge Qi-enabled mobile phones quickly and easily on the go: simply place on the surface and charge all compatible smartphones thanks to universal Qi charge technology
- Automatic, electromechanical holding jaws for a secure grip of the smartphone
- Mobile charger for practical charging in cars / trucks
- Device can be conveniently inserted in the mobile phone holder with one hand and triggers automatic closing of the holding jaws
- Compact design for space-saving attachment - ideal in the car
- Inductive charging technology for the wireless charging of compatible smartphones
- Wireless charging of smartphones with Qi technology
- Wireless fast charge technology guarantees extremely fast charging
- Connected devices are automatically detected and optimally charged
- Charging process optimized for the device which guarantees maximum charging speed
- Optimized charging process saves the battery thus extending its service life
- Smartphones in wireless charging-compatible cases do not have to be removed and can be charged wirelessly right away
- LED function indicator gives information about the device status
- That tedious search for a charging cable and the tangle of cables are no more thanks to the wireless charger
- Simple and stable attachment of the charger to the ventilation grille with a clamp device with silicon pads or to the windscreen with a telescopic suction cup holder
- Fast charger with charging speeds of up to 10 W offers the ideal power supply to guarantee the maximum charging speed for the wireless charger
- Charging begins automatically after the smartphone is placed on the Qi charging station
- To end the charging process, simply remove the smartphone from the mobile phone holder. The holding jaws can be opened using the buttons on the side
- Smart charging technology: wireless inductive technology (can be used with all compatible devices)
- Tested Qi standards and interoperability: Qi-certified safety and compatibility with optimised energy efficiency through inductive charging
- Smart and safe charging: Overcharge, overvoltage and short circuit protection as well as foreign body recognition for maximum safety for smartphones, batteries and chargers
- Saves expensive retrofitting: USB charging cable (USB-A to USB-C) is included with the mobile phone charger
- Soft silicone pads on the car charger protect your smartphone from scratches and damage

System Requirements:

With wireless charging technology based on the Qi standard-compatible device (e.g. smartphone, AirPods, etc.)

Note for Consumers:

Please check the product information or operating manual of your device or contact the manufacturer to see whether your device, e.g. smartphone, headphones, etc., supports wireless charging technology based on the Qi standard.

Technical characteristics:

- Colour: Black/Silver
- Product Division: Mobile Phone
- Productline: Prime Line
- Shade of colour: Black, Metallic
- Connection: USB-C-Connector
- Input: 5V/2A, 9V/1,67A
- Charge Technology: Wireless Fast Charge
- Upload Speed: Fast Charge

Wireless Charger

00201678 "FC10 Motion" Car Mobile Phone Charger, 10 W, Wireless, Qi Charge, black

- Display: LED-Funktion
- Height: 120 mm
- Length: 55 mm
- Weight: 126 g
- Width: 80 mm
- Max. Output Power: 10 W
- Required accessories: Vehicle Charger
- Recommended Use: Smartphone
- Suitable for: Vehicle
- Usage: Mobile Phone

Delivery:

- 1 "FC10 Motion" car mobile phone charger
- 1 suction cup telescopic holder
- 1 mobile phone holder for ventilation grille
- 1 USB-A - USB-C charging cable, length 1 m
- 1 operating manual
