Built with Intel® Core™ i7 processors

Intel® NUC 11 Pro Kits and Board

	Kits				Board
	NUC11TNHi70Q (Integrated)	**NUC11TNHi7**	**NUC11TNHi70L (Dual LAN)**	**NUC11TNKi7**	**NUC11TNBi7**
Processor	11th Generation Intel® Core™ i7-1165G7 processor 2.8 GHz@28W, up to 4.7 GHz Turbo, 4 Cores, 8 Threads, 12 MB L3 Cache				
Graphics	Intel® Iris® Xe Graphics, Up to 96 EUs				
Memory	16 GB DDR4	Dual-channel DDR4 SODIMM slots			
Storage	500 GB Gen 4 NVMe SSD	M.2 22x80 M-key slot for up to Gen 4 NVMe SSD, M.2 22x42 B-key slot for SATA SSD, and 2.5" drive bay (7mm)	M.2 22x80 M-key slot for up to Gen 4 NVMe SSD and 2.5" drive bay (7mm)	M.2 22x80 M-key slot for up to Gen 4 NVMe SSD and M.2 22x42 B-key slot for SATA SSD	M.2 22x80 M-key slot for up to Gen 4 NVMe SSD and M.2 22x42 B-key slot for SATA SSD
Expansion Bay	Pre-punched bracket for adding 1 DB9 port, or other I/O ports	Pre-punched bracket for adding 1 DB9 port, or other I/O ports	2nd Intel® i225-LM Ethernet and two additional USB 2.0 ports on pre-installed expansion module	—	—
Wi-Fi	Intel® Wi-Fi 6 AX201				—
Other Features & Technology	Two HDMI 2.0b ports	Two Thunderbolt™ ports (incl. DP 1.4a and USB 4.0)	Intel® i225-LM Ethernet port Three USB 3.2 Gen 2 type A ports	One USB 2.0 type A port	Qualified for 24x7 operation	Display emulation via HDMI Quad display support	Delayed AC start; Auto CMOS reset; DC input voltage protection	3-Year Limited Warranty				
Geo-Specific Power Cord	CN	US, EU, IN, or No Cord Option	Not Included	US, EU, or No Cord Option	—
Operating System	Not Included				—
What's Needed	Operating System	Memory, Storage, Operating System			—
