

BoostCharge Pro 4-Port USB-C® GaN Charger 200W

Four ports and massive 200W max power make this desktop charger a must-have for home or office use. GaN technology is faster, safer and smaller, delivering a stellar solution for charging four USB-C devices at once.

Product Benefits

- Quickly charge up to four devices simultaneously, including iPhone 15 Pro from 0-50% in 21 minutes[†] when paired with a USB-C cable (not included) and MacBook Pro 16" 0-50% in 30 minutes* when paired with a USB-C cable (not included).
- Intelligent Power Sharing provides the optimal fast charge for up to four devices at once – total 200W max output, 140W max single port output
- Designed to sit on your desk for easy port access
- Universal compatibility to safely support fast charging of most PD 3.1- (EPR)/PD 3.0-enabled devices
- Protected by a 2-year Belkin Connected Equipment Warranty. If your device is damaged by an electrical charge while properly connected to the charger, Belkin will repair or replace it up to a value of \$2500US/€2000/£1500.
- Made of eco-friendly post-consumer recycled materials* and 100% plastic-free packaging

Compatibility

Universal compatibility supports fast charging of most PD 3.1- (EPR)/PD 3.0-enabled devices including iPhone 14, Samsung Galaxy S23 and MacBook Pro 14" and 16"

Technical Specifications

- Total 200W max output when two or more ports are being used; PPS support
- Single-port output: 140W max
- USB-C 1/C2 output: 5V/3A, 9V/3A, 15V/3A, 20V/5A, 28V/5A, 140W max
- USB-C 3/C4 output: 5V/3A, 9V/3A, 15V/3A, 20V/3A, 60W max
- 5 ft./1.5m detachable AC power cord included
- PD 3.1 compliant with smart power allocation
- LED indicator to show whether the charger is working
- Size: 3.6 in./92mm x 4.7 in./118.5mm x 1.4 in./35.5mm
- Weight: 1.32 lbs./660g

Package Includes

- BoostCharge Pro 4-Port USB-C GaN Charger, 5 ft./1.5m power cord

 100% plastic free packaging
Made with recycled plastic products*

BoostCharge Pro

4-Port USB-C® GaN Charger 200W

The Belkin BoostCharge Family

A family of power products with fast charging in their DNA. Designed to integrate seamlessly to any environment to deliver fast, safe power at home, in the car or on the go. Smart circuitry detects the connected device to deliver optimal charging, while universal charging protocols such as USB-A, Lightning connectors and USB-C offer widespread compatibility.

The Belkin Difference

- Pioneer in innovation and technology for 40 years
- Rigorously tested to ensure safe charging for users and their devices
- Extensive testing procedures guarantee quality and durability

The Belkin BoostCharge Characteristics

- Faster charging than standard 5W
- Widespread compatibility
- Portability
- Smart circuitry detects connected devices to deliver optimal charging
- Certified by relevant bodies for compatibility (examples include USB-IF, MFi)
- Connected Equipment Warranty up to \$2500, €2000, £1500
