

## Compatible ink and toner by ARTICONA

# The sustainable alternative to OEM consumables.

### + 4-year warranty

ARTICONA exclusive.

### + Top quality

All ARTICONA inks and toners are produced in Europe.

### + Extensive portfolio

ARTICONA toner for current printer models by HP, Brother, Kyocera, Lexmark, OKI, Xerox, Samsung and Canon.

ARTICONA inks for current printer models by HP, Brother and Canon.

### + Save around 20%

Save real money compared to OEM inks and toners

### + Rebuilt

We refurbish and refill original cartridges with high-quality materials to guarantee compatibility and a print quality that is equal to or better than that of OEM products.

### + Free recycling programme

Keep your used ink and toner cartridges and we'll collect and recycle them free of charge (a minimum quantity applies). Head to the product details in our online shop for current information.
