

LATITUDE 7200 2-in-1 DETACHABLE

## Elevated style

### SMALLER FOOTPRINT, MORE STYLE

The smallest Latitude device just got thinner and lighter, all in an up-leveled design. The aluminum palm rest on the folio keyboard provides sturdiness, while brushed anodized aluminum keyboard and new paint finish add elegance. Edge-to-edge Corning® Gorilla® Glass DX reduces reflection by 75% compared to standard glass to improve sunlight readability, and delivers enhanced durability.\*\* As a commitment to Dell's legacy of good, ocean-bound plastics are utilized in the packaging.

### OUR FASTEST 2-IN-1 EVER

No Wi-fi, no problem. Experience better streaming, downloading and video conferencing with up to 233% improvement in WWAN speeds gen over gen with our 1.0 Gbps (CAT 16) option.\* The latest 8<sup>th</sup> Generation Intel® Core™ Processors up to i7 vPro 4-Core deliver the power needed to run today's intensive applications. Latitude's high density batteries provide longer run time, while ExpressCharge provides up to 80% battery charge in an hour.

### MOST SECURE 12" 2-IN-1 BUSINESS-CLASS DETACHABLE+

With features, security, and serviceable parts in the device, stay productive and secure even without the keyboard. The most feature-rich 12" commercial detachable has an optional integrated fingerprint reader, (2) Thunderbolt™3 with Power Delivery & DisplayPort (USB Type-C), (1) USB 3.1 Gen1 (with PowerShare), uSIM card slot (WWAN only), uSD 4.0 Memory card reader, and optional Contacted or Contactless SmartCard Reader. Conferencing on-the-go is seamless with Dell exclusive Waves MaxxAudio Pro, enhancing both listening and speaking.

### AN INTELLIGENT APPROACH TO MANAGEMENT

Dell provides the ultimate convenience of managing Windows 10 endpoints from one console with Dell Client Command Suite and VMware® Workspace ONE™ integration. Offering many ways to seamlessly sign on, SafeID protects end user credentials with FIPS 201 Smart Card Reader - delivering fast, multi-factor authentication you've come to expect from the world's most secure PC portfolio. In addition, Dell unique vPro extensions can remotely manage and run diagnostics on a fleet of devices, whether they are powered on or off.

# Recommended Accessories

LATITUDE 7200 2-IN-1

## ON-THE-GO

DELL PREMIUM  
ACTIVE PEN | PN579X

The Dell Active Pen allows you to easily take notes and stay organized with your Latitude 2-in-1.

DELL PREMIER SLIM  
BACKPACK 15 | PE1520PS

Keep your devices and other office essentials securely protected within this stylish travel companion, made using earth-friendly dyes.

DELL NOTEBOOK POWER  
BANK PLUS - USB C,  
65 WH | PW7018LC

Offers a high power delivery of up to 65Wh this power bank can charge the widest range of USB-C laptops, as well as mobile devices.

DELL PREMIER WIRELESS  
MOUSE | WM527

Enhance daily performance and productivity with this elegantly designed mouse.

## AT THE DESK

DELL THUNDERBOLT  
DOCK | WD19TB

Work at full speed with Dell's powerful Thunderbolt Dock. Charge your system faster, support up to three 4K displays and connect to your peripherals via a single cable.

\* (April 2019) Dell Thunderbolt Dock WD19TB is to be used with Thunderbolt-compatible systems. Dell Dock WD19 can be used with non-Thunderbolt systems.

DELL ULTRASHARP 24  
MONITOR | U2419H

Experience superb screen performance on this FHD monitor with a virtually borderless InfinityEdge, packaged in a sleek, space saving design.

DELL PREMIER WIRELESS  
KEYBOARD AND MOUSE | KM717

Enhance daily performance and productivity with this wireless keyboard and mouse, which features an elegant design that will fit into almost any workspace.

DELL DUAL MONITOR  
STAND | MDS19

This space-saving stand, mounts up to two 27-inch monitors, providing the screen real estate you need to be most productive.

DELL PRO STEREO  
HEADSET | UC350

Hear every word clearly on your next call with the Dell Pro Stereo Headset, optimized to provide in-person call quality and certified for Microsoft Skype for Business.

# Built for business

## Dell Technologies Unified Workspace

Dell Technologies Unified Workspace is the most comprehensive solution to deploy, secure, manage and support virtually all devices from the cloud. We designed this revolutionary solution with intelligence and automation providing you with visibility across the entire endpoint environment. We help you save time, improve user experience, optimize resources and strengthen security.

DEPLOY

Our modern deployment solution, ProDeploy in the Unified Workspace allows you to revolutionize the way deployment gets done. By spending just one hour for set up, IT can then hand deployment to Dell and have preconfigured systems shipped directly to the end users--wherever they are.

SECURE

Dell Endpoint Security for the Unified Workspace helps you manage growing cyber risks while embracing workforce transformation. With Dell SafeGuard and Response powered by Secureworks, you gain actionable insight to help you quickly and efficiently prevent, detect and respond to cyber-attacks - keeping your environment free from harm.

MANAGE

We integrated our hardware management solution Dell Client Command Suite with VMware Workspace ONE, allowing you to take advantage of unified endpoint management (UEM) and manage the firmware, operating system and applications for all devices from the Workspace ONE console. UEM simplifies the management of the entire environment saving IT time from having to work between separate consoles for PCs and phones.

SUPPORT

ProSupport Plus continues to be the only predictive and proactive support in the market. When compared to key competitors, ProSupport Plus with SupportAssist reduced time to resolve a failed hard drive with up to 11x faster time to resolution\*

\*Based on a Principled Technologies test report, "Spend Less Time and Effort Troubleshooting Laptop Hardware Failures" dated April 2018. Testing commissioned by Dell, conducted in the United States. Actual results will vary. Full report: <http://facts.pt/L52XKM>

LATITUDE 7200 2-IN-1 DETACHABLE

## Elevated style

1 Offering may vary by country and by configuration

2 A 64-bit operating system is required to support 4GB or more of system memory.

3 GB means 1 billion bytes and TB equals 1 trillion bytes; actual capacity varies with preloaded material and operating environment and will be less.

4 Limited Hardware Warranty: For copy of Limited Hardware Warranty, write Dell USA LP, Attn: Warranties, One Dell Way, Round Rock, TX 78682 or see [www.dell.com/warranty](http://www.dell.com/warranty)

5 Battery support is dependent upon graphics support. Check technical guides for detailed support

6 COMPUTRACE Not a Dell offer. Certain conditions apply. For full details, see terms and conditions at [www.absolute.com/en/about/legal/agreements](http://www.absolute.com/en/about/legal/agreements).

7 Intel Rapid Storage Technology requires a HDD, mSATA, or an SSD, as primary storage device and Windows OS required

8 Wireless antenna available only at time of system purchase

9 Dell Latitude 5000 Series are brominated flame retardant free (BFR-free) and polyvinyl chloride free (PVC-free); meeting the definition of BFR-/PVC-free as set forth in the iNEMI Position Statement on the 'Definition of Low-Halogen Electronics (BFR-/CFR-/PVC-free)'. Plastic parts contain less than 1,000 ppm (0.1%) of bromine (if the Br source is from BFRs) and less than 1,000 ppm (0.1%) of chlorine (if the Cl source is from CFRs or PVC or PVC copolymers). All printed circuit board (PCB) and substrate laminates contain bromine/chlorine total less than 1,500 ppm (0.15%) with a maximum chlorine of 900 ppm (0.09%) and maximum bromine being 900 ppm (0.09%).

10 Mobile Broadband Subject to service provider's broadband subscription and coverage area; additional charges apply.

11 Mail-in Service after Remote Diagnosis: Remote Diagnosis is determination by online/phone technician of cause of issue; may involve customer access to inside of system and multiple or extended sessions. If issue is covered by Limited Hardware Warranty ([www.dell.com/warranty](http://www.dell.com/warranty)) and not resolved remotely, technician and/or part will be dispatched, usually within 1 business day following completion of Remote Diagnosis. Availability varies. Other conditions apply.

12 Dell Services: Availability and terms of Dell Services vary by region. For more information, visit [www.dell.com/servicedescriptions](http://www.dell.com/servicedescriptions).

13 GB means 1 billion bytes and TB equals 1 trillion bytes; significant system memory may be used to support graphics, depending on system memory size and other factors.

15 \*Weights vary depending on configuration and manufacturing variability.

\* Based on Dell internal analysis, Dec 2018, comparing max DL speeds on prior generation cellular radio supporting up to 300Mbps vs next generation supporting up to 1.0 Gbps. Actual results will vary depending on carrier network, users, location and other factors.

\*\* Corning® Gorilla® Glass DX (Available September, 2019).

+ Based on Dell internal analysis, January 2019.
