Models

HP Single Monitor Arm

BT861AA

Introduction

The HP Single Monitor Arm is the perfect desk accessory for your work life. Sleek and streamlined, the HP Single Monitor Arm is designed to complement the way you work.

The HP Single Monitor Arm comes with a sturdy base and clamp, which attaches to the edge of your desk or worktable. It includes convenient cable management to route cables under the arm and out of the way, and to help reduce cable clutter on your workspace. It also provides a range of display adjustments including 13 inches of lift, 75 degrees of tilt, and 360 degrees of pan and rotation, so you can adjust the height and angle of your monitor. Connect the monitor to your laptop or desktop PC, and stay comfortable and productive throughout the day.

HP provides a portfolio of professional-grade accessories to help you achieve your business goals, increase productivity and lower your costs. All HP accessories go through rigorous testing and are certified to work seamlessly with your HP Desktop, Notebook, or All-in-One PC. They are backed up by HP's world-class support.

Key Benefits

- Space saving design frees up valuable desk space
- Supports up to one 24" diagonal display
- Flexible arm adjusts to your size, posture and work preference
- Locate the arm wherever it is most convenient for you on a desk, and secure then it with the adjustable clamp

Compatibility

HP Compaq All-in-One Business PCs

HP Compaq 6000 Pro All-in-One Business PC and HP TouchSmart 9300 Elite Business PC

NOTE: Not all models are available in all regions.
