Up to 11th Gen Intel® Core™ i7 Processor

ULTRA-MODERN MOBILITY

Introducing **Windows 11**, an OS designed for hybrid work. Built on the familiar Windows foundation but reimagined to boost employee productivity and enhance collaboration on the most secure version of Windows yet. It is more productive, more collaborative and consistent for IT, and secure for all.

MODERN DESIGN FOR THE NEW WORKFORCE

Razor-thin and Feather-light: the slimmest Lenovo ThinkBook yet at just 14.9mm makes it extremely compact and easy to fit into your backpack. Weighing only 1.26kg/2.77lbs., it is the ultimate portable companion, inside or outside the office.

Dual-tone Design: the new-gen workforce likes to stand out, and the Mineral Grey dual-tone design on the Lenovo ThinkBook 13s cover does just that.

Premium Metal Chassis: with metal on three sides, this laptop feels premium and looks modern. An arc-shaped hinge makes it comfortable to carry around.

All-day Battery Life: for those who work from anywhere or burn the midnight oil, a 56Whr battery lets the device on without having to charge.

ACCELERATED PERFORMANCE AND RESPONSIVENESS

Extraordinary Performance: 11th Gen Intel® Core™ processors enhanced by AI-based technology along with the Intel® Evo™ platform delivers rapid computing and Intel® Iris® X^e graphics let you handle any workload or data-heavy task without straining the system.

Superfast Memory and Storage: access files instantly and open applications faster on Lenovo ThinkBook 13s. Up to 16GB of dual-channel memory and up to 1TB of SSD storage ensures fluid and efficient performance.

Natural Voice Typing: with the **voice typing feature on Windows 11**, you can instantly turn your ideas from voice to text in any text box.

Efficient Widgets: customizable **Widgets on Windows 11** helps you keep track of everything from upcoming meetings and to-do lists to live updates on the news and weather.

Thunderbolt™ 4 Connectivity: maximize the power of USB Type-C using the Thunderbolt™ 4 port for high-speed data transfers up to 40Gbps, as well as audio, video, and power-delivery compatibility.

THRILLING USER EXPERIENCE

Ultra-narrow Bezels: a new narrow bezel design gives you more screen and less distraction with a > 90% screen-to-body ratio.

Stunning Display: A WQXGA 2560x1600 4 million pixels resolution on this IPS display produces crystal-clear visuals in incredible detail. The 16:10 aspect ratio means you see more and scroll less. Its touchscreen* functionality provides a tablet-like experience.

Dolby® Vision™: Dolby® calibrated visuals with 100% sRGB color gamut deliver stunning, life-like images with accurate color and contrast. It is bright too—300 nits of brightness enables comfortable working, outdoors, or in bright environments.

Intuitive Experience: **Hero Start Screen on Windows 11 with a centered Start, clean layout, and effortless navigation** improves your focus with a simpler, more intuitive user experience connectivity like you have never seen before.

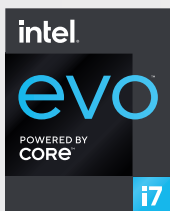

Smart Features: power on the 13s just by opening the lid.¹ The device enhances video output for improved visual quality.² Smart noise cancellation ensures you're always heard. Choose between three different mic setups depending on your meeting requirements and protect your eyes with the low blue light mode. Moreover, **elevate online meetings to a new level with Microsoft Teams integrated into the new Windows 11 taskbar.**

¹Default setting is OFF

²Works for selected video player

³On select configuration

ULTRA-MODERN MOBILITY

RECOMMENDED ACCESSORIES

THINKBOOK BLUETOOTH SILENT MOUSE PN: 4Y50X888XX

This tiny accessory will be the sidekick your device deserves. Modern, low profile, ambidextrous design with silent buttons makes it a premium peripheral you won't want to let go of. Get more precision and control with dual-host Bluetooth connectivity (with Microsoft SwiftPair) and 2-way scroll with on-the-fly DPI adjustment to up to 2400. Equipped with a blue optical sensor with track-on-glass compatibility, the mouse works on any glossy surface.

THINKBOOK URBAN BACKPACK PN: 4X40V26080

A multi-functional backpack with anti-theft pockets ensures security on the move. The padded compartment offers cushioned comfort, while the high-quality fabric and stylish PU leather accent add to its contemporary design.

LENOVO VOIP 360 CAMERA SPEAKER PN: 40AT360CWW

A 360° microphone, speaker, and camera, all packed in one device gives you an immersive meeting room experience. At only 90mm and weighing just 229g, it can be carried around with ease, and with USB-C connectivity, it is ideal for mobile employees. Optimized to cut background noise with Environmental Noise Suppression (ENS) and Active Noise Cancellation, so you are always heard with the utmost clarity.

McAfee® LiveSafe™ (trial)
Microsoft Office
(trial, except in Japan)

SERVICES AND SUPPORT: ALL-ROUND CARE FOR YOUR LENOVO THINKBOOK 13s G2 ITL

PREMIER SUPPORT

Bypass phone menus and scripted troubleshooting to access advanced-level technicians with the expertise needed to quickly diagnose and solve problems. Get a consistent point of contact within Lenovo to ensure that your case resolution is professionally managed from start to finish.^{1,2}

WARRANTY UPGRADES

Onsite Service maximizes PC uptime and productivity by providing convenient, fast repair service at your place. In addition, with Tech Install CRU service the installation of all internal Customer Replaceable Unit (CRU) parts will be done on your behalf by a trained technician.¹

WARRANTY EXTENSIONS

This fixed-term, fixed-cost service helps you accurately budget for PC expenses, protect your investment, and lower the cost of ownership over time.¹

ACCIDENTAL DAMAGE PROTECTION

Protect your investment from operational or structural damage caused by common accidents like drops, spills, or electrical surges. This protection plan helps with predictable budgeting, minimizes unexpected repair costs and provides significant savings relative to the cost of non-covered repairs.^{1,2}

KEEP YOUR DRIVE

Retain your drive if it should happen to fail, giving you the peace of mind of knowing that your valuable data is secure.^{1,2}

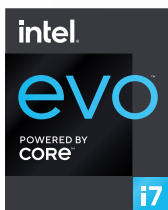

¹ Up to 5 years total duration

² May not be available in all regions

¹Based on testing with MobileMark 2018. Battery life varies significantly with settings, usage, and other factors.

²Requires Skype for Business or Microsoft Teams account, not pre-installed by Lenovo

Devices preloaded with new Windows 11 will have separate part numbers

Up to 11th Gen Intel® Core™ i7 Processor
