Cover

00016020 "Always Clear" Mobile Phone Cover for Samsung Galaxy S26 Ultra, transparent

Highlightstext:

- Flexible, custom-fit and transparent: invisible mobile phone cover for classic, no-frills protection for the Samsung Galaxy S26 Ultra
- Transparent mobile phone case without yellowing: many years of enjoyment from your case as the special material composition prevents yellow discolouration
- A clean sweep: The mobile phone cover also covers the side buttons - this protects against dust and enables a perfect pressure point
- Tailor-made mobile phone case: protects what needs to be protected and leaves free what should remain free, e.g. loudspeaker and charging socket
- Scratch-resistant back cover: Keys, pens and coins don't bother the protective mobile phone case in trouser, hand and jacket pockets thanks to the anti-scratch material
- Simply lay it down carefree: the raised edges of the phone case provide protection for the protruding camera lenses without compromising the quality of the photos
- Additional protection for the mobile phone display: The mobile phone cover has a raised edge all around - so the touchscreen is better protected
- Packaging with a clear conscience: our packaging is 100% plastic-free, enabling us to reduce plastic waste and increase its recyclability
- FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood
- Non-slip material, does not slide easily out of the hand, off the table or other surfaces
- Ultra-slim design: does not stand out and preserves the smartphone's slimline shape
- The structured inside with grid points avoids electrostatic suction so that no unsightly film forms between the protective cover and the back of the mobile phone
- Flexibility: easy to attach to your smartphone

Technical characteristics:
