Quick Install Guide

MerryIoT

Hotspot Miner V1

BROWAN COMMUNICATIONS INC.

MerryIoT Hotspot Miner V1
Quick Install Guide

1. Download the Helium App

The application is available on the App store, you can either search for it or scan the QR code below.

1-1. Create an account and write down your unique 12 words (this is used to log into your account instead of a password you created). This is your login to your Helium Wallet. Do not forget or share these words with anyone.

1-2. Confirm your 12 seed words

1-3. Secure your account with a pin

1-4. Confirm your pin

2. Turn on the MerryIoT Hotspot Miner

2-1. Attach the LoRa antenna.

2-2. Plug-in the Power supply

2-3. After approximately three minutes, you can add MerryIoT Hotspot Miner via the Helium app.

2-4. Select "Set up Hotspot" on the app.

For further information, please scan the QR code below to follow us.
