

HyperShield®

MacBook Pro Cable Lock

All the security you need is in a sleek and practical design. The HyperShield™ MacBook Pro Cable Lock is a tool-less cable lock designed specifically for MacBook Pro users. Offering reliable protection without compromising accessibility, portability, or style, it's perfect for safeguarding your laptop in coffee shops, libraries, offices, and other shared spaces.

Efficient Device Security for IT Teams
Easily removable and re-deployable, the HyperShield MacBook Pro Cable Lock allows IT teams to repurpose or reassign devices without damaging the MacBook Pro. This cost-effective solution reduces setup time, boosts operational efficiency, and provides reliable security, all while maintaining device integrity.

All the security you need for your MacBook Pro in a sleek, portable design

Tool-Less Cable Lock for MacBook Pro
Effortlessly attach directly onto the air vent of a 14" or 16" MacBook Pro without any tools, adhesives or screws. Its innovative design ensures that anyone can use it with ease, saving time and simplifying security. Ideal for busy professionals working in public spaces, who need a fast, portable security solution.

Designed for the 14" & 16" MacBook Pro
Compatible with all Apple Silicon MacBook Pro models, the HyperShield Cable Lock offers a precise fit without disrupting or damaging from your device's premium aesthetic.

Full Port Functionality
Unlike traditional locks that obstruct essential ports, the HyperShield Cable Lock ensures that all ports remain fully usable. Charge your laptop, transfer data, and connect peripherals—all while staying protected.

Secure Your MacBook with a Reliable Key Lock
Featuring a secure key locking system, the HyperShield Cable Lock guarantees reliable protection for your MacBook Pro, keeping it firmly tethered to an anchor point of your choice. Each lock comes with two keys for added reassurance.

Durable 6.5ft (2m) Galvanized Steel Cable
The 6.5ft long cable is built from heavy-duty galvanized steel, offering cut-resistant strength and rust-proof reliability. Its length provides versatility, enabling you to secure your MacBook Pro to a number of different fixed objects.

Perfect for Use in Public Spaces
Whether you're at a coffee shop, library, co-working space, or hotel, this lock is designed to secure your MacBook Pro in shared environments, protecting it when you're away from your desk. Its lightweight and portable design makes it easy to carry wherever you go, ensuring you can protect your device anytime, anywhere.
