

# HP Wireless Keyboard and Mouse 300

## No-compromise design, secure performance

This duo puts secure productivity and entertainment right at your fingertips. Convenient features include hot keys, an ultra-precise mouse, and data encryption that protects your information.

### Wireless convenience

No more wires with the reliable 2.4GHz wireless connection.<sup>1</sup>

### One receiver does it all

You just need one wireless nano receiver to connect both keyboard and mouse.

### Quick access shortcuts

Ten hot keys for one-touch access to important tools such as internet, emails, and search.
