DATATRAVELER® 80 M

Portable storage for USB Type-C® devices

Kingston DataTraveler® 80 M is a high-performance flash drive designed to work with USB Type-C[1] laptops, desktops, smartphones and tablets without the need for an adapter. With extremely fast read speeds of up to 200MB/s[2], the DataTraveler® 80 M allows for quick and convenient storage and file transfers. The compact, moving cap design features a key ring loop, making it ideal for on-the-go storage.

Available in capacities from 64GB–256GB[3] and backed by a limited 5-year warranty.

› **Designed for use with USB Type-C[1] devices**

› **Up to 200MB/s read[2]**

› **Capacities of up to 256GB[3]**

› **Convenient moving cap design**
