

## USB Adapter

00200357 USB Adapter, USB-A Plug - USB-C Socket, USB 3.2 Gen2, 10 Gbit/s

### Highlightstext:

- For connecting a PC, notebook, MacBook, tablet or charger with USB-A to a USB-C cable, USB-C charger or USB-C OTG hub / card reader in order to transfer digital data, signals and power
- Super speed Plus data transfer rates of up to 10 Gbps
- High-quality materials and workmanship guarantee excellent transmission quality
- And so the circle closes: this product is made up of at least 20% recycled materials, enabling us to take part in an eco-friendly cycle
- Internal wires made from copper for rapid data transfer and the best supply of power

### Note for Consumers:

This adapter combination is not provided in the USB specification, therefore support for its function / compatibility may be limited. This USB specification does not guarantee support for DisplayPort Alternate Mode or USB Power Delivery.

If the USB data transfer speed is reduced, turning the USB-C plug may provide the solution: unplug, rotate around 180° and plug back in.
