

Package Contents

- Plastic access point covers (20)
- AP-505-CVR-20 Installation Guide

Introduction

The AP-505-CVR-20 cover clips into the exterior of the access point, offering a practical and aesthetic solution for concealment and customization.

Installing the AP-505-CVR-20

Fit the bottom corners of the cover around the access point, then press the cover onto the access point until all corners are securely clipped into place.
