

The tablet that can do what others can't

Its tough, rugged IP68 and anti-shock design with protective case make it the ultimate device, whether it's used at home, on the road, or the other places life takes you. A large screen and long-lasting replaceable battery let you travel without boundaries and experience more.

*Galaxy Tab Active Pro is available in two models: LTE and Wi-Fi. Model availability may vary by country and region.

Rugged Design

IP68

S Pen with IP68

Samsung DeX

Built to be as active as you

Galaxy Tab Active Pro was built to be as active as you, whether indoor or out. IP68 water and dust resistance lets you handle it in various conditions, while anti-shock protection makes it extra durable. The large 10.1 inch screen allows you to see and do more.

*Images for demonstration purposes only.*Tested in accordance with MIL-STD 810G standard, a standardized form of testing designed by the US Military to accurately assess device limitations. Testing methods include a drop test on a plywood impact surface over concrete.*IP68 is based on test conditions for submersion in up to 1.5 meters of freshwater for up to 30 minutes.

Powered to keep going

Bring your tablet along with you for the ride with a battery that lasts. A 7,600mAh capacity gives up to 15 hours of video playback from full charge, so you can keep going even when outlets are few and far away. USB-C charging minimises time spent near the socket.

Battery
7,600mAh

Video playback
15 hours

*Images for demonstration purposes only.*Based on results from internal lab tests for local video playback time conducted by Samsung. Test Results from a pre-release version of the device under default settings (audio volume and brightness levels) without connection to Wi-Fi or mobile network. Battery life varies significantly with settings, usage, and other factors.

Express yourself in the moment

The S Pen feels natural to hold, and the 4,096 levels of sensitivity and slim-lined 0.7mm tip mean it's super accurate too. When you're outdoors, you can use it to quickly edit your pictures, follow your inspiration and sketch, and check and make notes on your road map.

*Images for demonstration purposes only.

Enhanced performance and storage space

4GB of memory and 64GB of storage space let Galaxy Tab Active Pro keep up with you and your contents, while a Micro SD adds up to 512GB more to keep all your data in one place. Get quick a connection to other devices with a POGO pin for added productivity and data transfer while simultaneously recharging.

*MicroSD card and accessories sold separately.

A PC-like experience that follows you

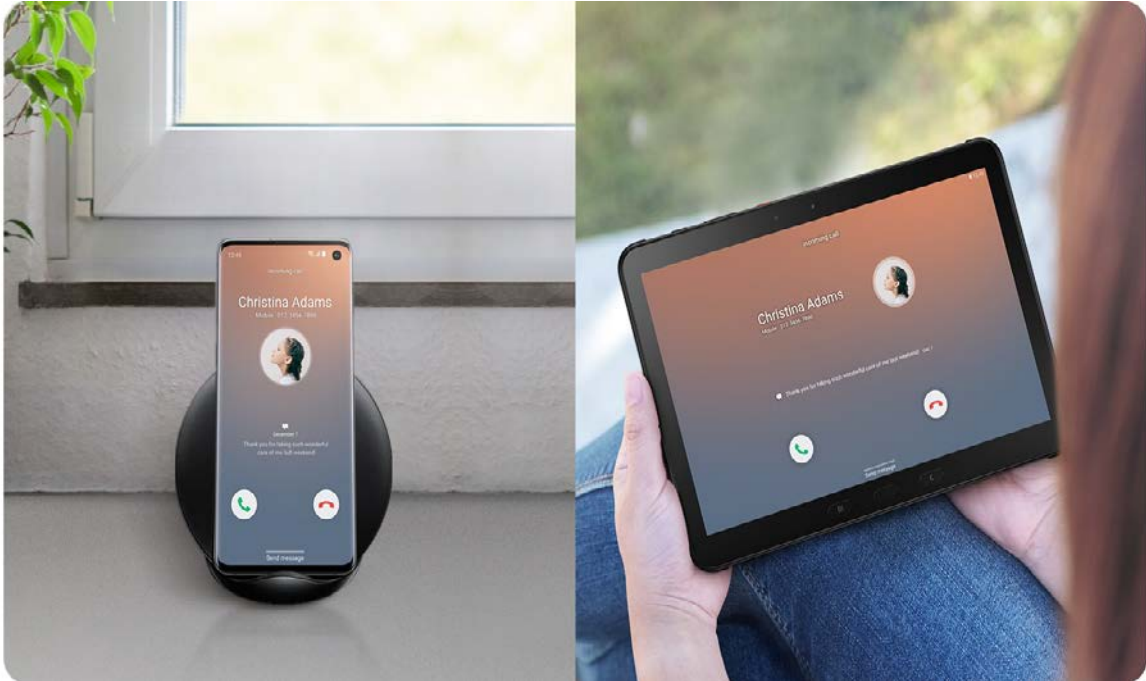

Get the PC-like experience of Samsung DeX whether inside or in the great outdoors. Quickly set up Galaxy Tab Active Pro with a keyboard and mouse to express your creativity regardless of location. Or connect to a big screen to make light work of even the chunkiest spreadsheet.

*Adapter, keyboard, and external display sold separately.

Finally a reason to put down your phone

Stay in touch when your phone is out of reach. Galaxy Tab Active Pro seamlessly synchronises to your Galaxy smartphone, so you can take calls when they come in just like you answer your phone. It also allows you to reply to text messages, so you're never out of the loop.

*Performance may vary depending on distance and network quality. Network connection required to use Call & Message Continuity on both Galaxy smartphone and Galaxy Tab Active Pro.

Quickly unlock with ease

Unlock your device quickly and effortlessly. Galaxy Tab Active Pro uses intuitive authentication technology to let you get secure access to your information the moment you want it. Fingerprint scan and face recognition technology lets you access your device with ease and safety.
