Whiteboard set for 86" screens

The RISE WBS86 whiteboard set is a universal system, suitable for all types of 86" (interactive) displays. This accessory allows you to mount a whiteboard to the left and right of your 86" screen. The enamelled steel boards are attached top and bottom on a Vogel hinge, which retains friction and writing stability even after frequent use. Nonetheless, should the friction become less than desired over time, the hinge can easily be adjusted.
