DATASHEET

ARTICONA is Bechtle's own brand and that of ARP, a member of the Bechtle Group. The wide product range consists of accessories and connection technology for IT workstations. But ARTICONA has far more to offer: extensive quality assurance as well as the knowledge of an experienced team of experts since 1989 enabling ARTICONA to continuously develop in line with current market trends.

USB 3.0 Docking HDMI/DVI
4393822

Introduction

Expand your notebook's connectivity with the 4393822 docking station from Articona. Connect up to two additional monitors via the HDMI and DVI port with a resolution of 2048 x 1152 at 60 Hz. A DVI to VGA adapter is included. The 6 USB ports enable a variety of devices, such as keyboards, mice, storage devices etc. One of the front ports supports BC1.2 charging to charge your smartphone more quickly. In addition, the dock has two audio ports and a network port. Thanks to the included USB-A and C cables, you can connect your notebook via both ports. PowerDelivery not supported. Driver, manual, DVI to VGA adapter and power cable with EU and UK plugs included. PXE boot possible.
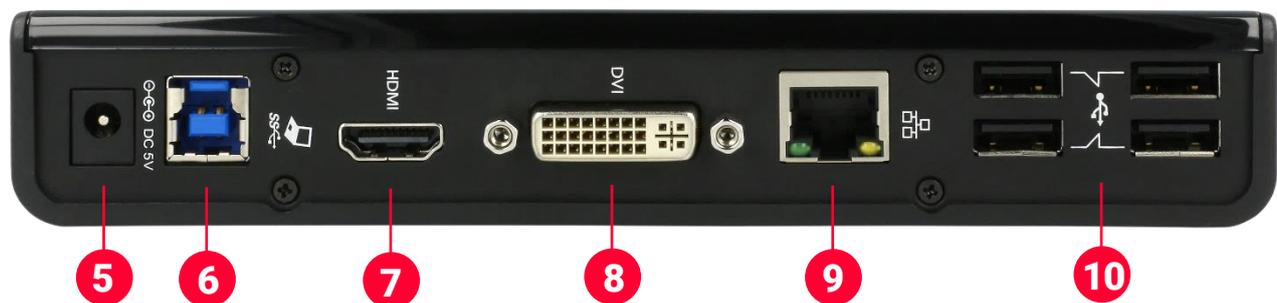

Features
