Single IDC RJ45 Shuttered Module 25 x 50mm (Cat6) - White

Brand: **connekt**gear
Code: 90-0103
Box Qty: 500

Why do you need it?

You need to insert a single Cat 6 RJ45 module into your network installation, and you want a reliable module as part of your install.

What does it do?

Creates a single Cat 6 network port in your network installation. This is a simple yet effective way to upgrade your module and create

a new network port. This provides an easy install with no complicated wiring without compromising the quality of the install.
