360° LCD Wall Mount Black

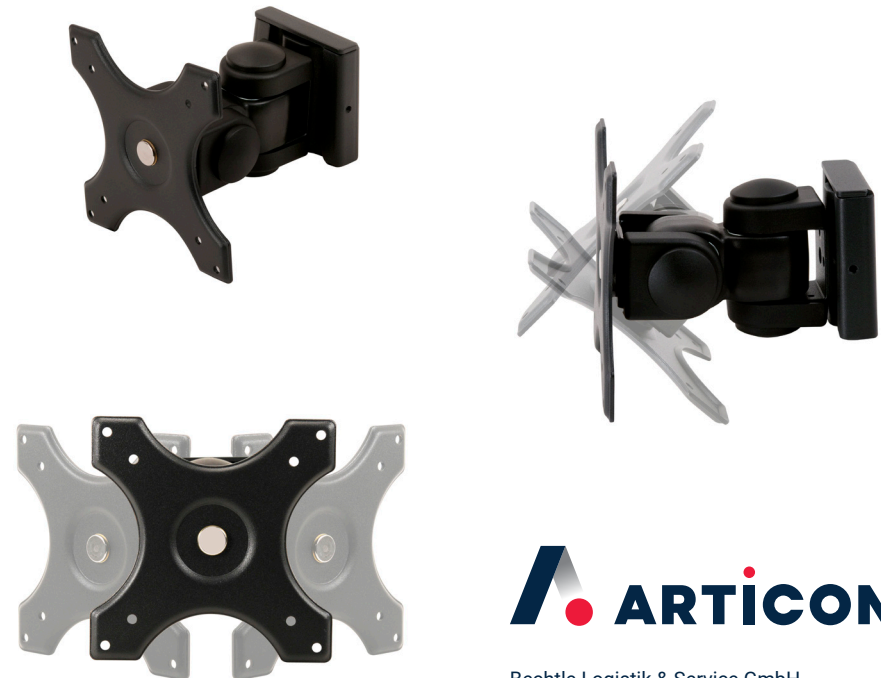

Article number: 739409

The 360° wall mount enables LCD monitors to be fixed to the wall quickly and easily. The two joints allow you to move the installed monitor up and down or left and right, and rotate it completely. Suitable for 68.6 cm (27.0") monitors with a weight up to 12 kg. Easy attachment and removal thanks to slide-in technology; the monitor simply snaps into place in the mount. All required screws are included.
