3-way Power Strip + 2x USB A/C 1.4m

Article number: 4819228

The Articon power strip is distinguished by its versatile functions and mounting options. Thanks to the included clamping device, it can be effortlessly fixed in the preferred location. Wall mounting is also easily achievable. The integrated USB-A and USB-C ports allow for the simultaneous charging of two devices, such as smartphones or tablets. The thoughtful 45° angle layout of the sockets ensures that all ports remain accessible, even when using larger or bulky angle plugs, thus preventing the obstruction of neighboring ports. A 1.4-meter-long power cable provides additional flexibility in placement. The offering is completed by the high-quality aluminum housing, which ensures an attractive appearance as well as durability.

Highlights:

- Desktop Power Strip with a flexible table clamp mechanism for easy and customizable attachment.
- USB-A and USB-C ports provide up to 20 W charging power, ideal for fast charging of devices.
- Convenient on/off switch for energy-efficient use.
- 45° arrangement of Schuko sockets allows easy connection of multiple plugs without space conflicts.
- Robust aluminum housing for a durable and stylish appearance.
