

For The Fairphone (Gen. 6)

The Fairphone (Gen. 6) Protective Case

Lightweight and low-profile, get everyday protection for your Fairphone, and extra freedom to add accessories.

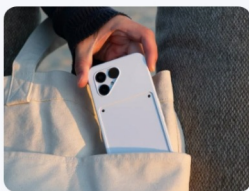

● Horizon Black ● Forest Green ● Cloud White

Extra protection for your cameras

Features raised bumpers around the iconic Fairphone camera triangle.

Ergonomic design that's built strong

Made with 100% PCR plastic, the case offers better comfort with maximum impact protection.

Designed for your add-ons

Works perfectly with the Fairphone (Gen. 6) cardholder, finger loop, and/or lanyard.

Suit up in style

Lightweight, low-profile, and built for the Fairphone. This case delivers everyday protection with raised bumpers for your camera—and zero hassle when using your go-to accessories. With 100% post-consumer recycled (PCR) plastics on the back and the sides, it's built strong, made fair, and feels great in your hand. It's also designed to fit the new line of modular accessories for the Gen. 6, ensuring you get the best Fairphone experience with zero compromise.
