

ThinkSmart

ThinkSmart View Plus

As the workforce settles into a hybrid world, it's vital to stay connected and engaged—despite our location. The innovative ThinkSmart View Plus is a standalone solution for personal use plus hotdesking, hoteling, remote learning, and telehealth. Purposely built for collaboration and certified for Microsoft Teams Display, ThinkSmart View Plus is a modular solution with a 27-inch multi-touch display, premium video and audio, and built-in compute for powerful productivity.

Designed to enhance your personal collaboration experience, ThinkSmart View Plus lets you interact with impact. Hear and be heard more clearly with the detachable premium soundbar with two 5w speakers and four-mic array, while the detachable 4K IRGB camera with auto framing and AI security delivers crisp, clear images. Spark creativity by whiteboarding ideas on the touch anti-fingerprint screen using your finger or the handy magnetic stylus pen. And the ThinkSmart View Plus easily shifts to monitor mode for comfortable productivity with its ergonomic stand and convenient cell phone stand on the base.

Create, share, and collaborate better than ever—wherever you are.
