

Desk Mount Triple Monitor Arm with Crossbar For Up To Three 27in Screens, VESA 75x75/100x100, Tool-Less Arm Adjustments, C-Clamp/Grommet, Spring-Assisted Arm

Product ID: 3M1A3SG-MONITOR-ARM

This crossbar monitor desk mount is designed to support up to three 27-inch displays, creating an ergonomic multi-monitor setup that provides an extensive viewing area for productivity. A built-in handle enables moving all monitors simultaneously, while the spring-assisted arm allows multiple adjustments to suit different ergonomic needs.

The spring arm enables toolless height adjustment of up to 13in (330mm) with effortless one-touch motion. The maximum arm extension is 24.8in (630mm), and the minimum arm extension is 4in (104mm). The weight capacity is 13.2lb (6kg) per VESA mount.

This triple monitor mount features micro height adjustment screws on the VESA plate that enable perfect alignment of all three monitors. This is ideal for bezel-less or slim bezel displays, helping to create a more extensive and seamless viewing area. The outer displays' VESA mounts slide along the crossbar, allowing further adjustments.

The monitor crossbar allows toolless adjustments of +/-15 horizontal swivel of the outer displays. The monitors' VESA mounts enable +/-10 horizontal swivel, +5/-15 tilt, and 360 screen rotation for portrait or landscape orientations.

To maintain an organized workspace, the adjustable arm features a cable management channel along the underside to keep cables out of sight, reducing clutter and contributing to a tidy setup. A cable clip at the base maintains an organized workspace.

Certifications, Reports and Compatibility

Applications

Features

- **DESK MOUNT MONITOR ARM:** Crossbar triple monitor VESA mount (75x75/100x100mm) supports up to 13.2lb (6kg) 27-inch displays; Articulating and height adjustable steel arm; C-clamp/grommet mounting
- **SYNCHRONIZED MOTION:** Micro height-adjustment screws on VESA plate to perfectly align monitors for a seamless visual experience; Ergonomic three-monitor mount w/toolless adjustments of +/-15 swivel, +/-15 tilt, 360 screen rotation portrait/landscape
- **ONE-TOUCH ADJUSTMENT:** Spring-assisted arm w/height range of up to 13in (330mm); Built-in handle for smooth & effortless one-touch motion; Monitor stand includes tools to adjust the arm tension to match the monitor weight; Max arm extension 24.8in (630mm)
- **MOUNTING OPTIONS:** Interchangeable desk C-clamp or grommet mount for desks up to 3.1-inches (80mm) thick; When engaged, the rotation stop mechanism prevents the arm from rotating more than +/-90(180 total), preventing the arm from hitting cubicle walls
- **ORGANIZED WORKSPACE:** Enhance productivity and multi-tasking on high-performance workstations; Multi-monitor mount with cable management channels along the arms to keep cables out of sight; A cable clip at the base helps maintain a tidy setup
