

Audio headset, Bluetooth

00221821 "Spirit Calypso X" Bluetooth® Headphns, Over-Ear, Bass Boost, Foldable, blk

Highlighttext:

- Boom-bastic sound: non-stop wireless music enjoyment - with or without bass amplification - from hip-hop and pop to rock
- To feel the beat through your body: wireless headphones with additional bass amplification, can be switched on or off depending on the music style via the multi-function button
- Rich sound: whether it be music, a podcast or an audio book - with 60 hours of battery life, the over-ear headphones never miss a beat, even on the go
- Casual change: favourite play list on the mobile phone, audio book on the tablet, calls on the business smartphone - multi-point allows the simultaneous connection of the headphones to two Bluetooth devices
- Travel or peace and quiet: when the Bluetooth headphones are not needed, simply fold up the ear pads and carry the headphones in a space-saving manner in your luggage or put them to one side
- Comfortably from audio book to audio book and from album to album: thanks to their very soft ear pads, the over-ear headphones are comfortable to wear for at least as long as the battery lasts
- Relaxed head, cool beat: the padded headband can be custom-adjusted to the shape of your head so that the wireless headphones fit comfortably even on a long train journey
- The self-contained, ear-enclosing design reduces any unwanted external noises so that you can enjoy your music without interruption
- Supports the voice assistants Siri and Google Assistant: Bluetooth pairing and a multi-function button allow direct access - without having to hold the smartphone
- Easy to use: control call and smartphone functions via the four multi-function buttons directly on the wireless headphones' ear pads (e.g. take / make / reject calls / last number redial / music / volume)
- Thanks to the integrated microphone you can easily switch between music playback and call answer. So you will no longer miss a call when listening to music.
- Louder and quieter via voice command: volume can be adjusted via voice assistant
- Audio playback via Bluetooth or audio cable
- Always informed: announcement in the headphones, e.g. when battery level is low, during Bluetooth pairing or bass mode
- Battery-sparing: if the Bluetooth headphones are not used for three minutes, they switch off automatically if there is no Bluetooth connection
- Changeable rechargeable battery: full power for years
- Charge the over-ear headphones via USB-C cable, not included in the extent of delivery

System Requirements:

- Bluetooth-enabled device

Technical characteristics:

- Colour: Black
- Line: Spirit
- Shade of colour: Black
- Bluetooth Class: Class 2
- Bluetooth Version: 6.0
- Frequency Band: 2402-2480MHz
- Frequency Range (Headphone): 20 Hz - 20 kHz
- Frequency Range (Microphone): 100 Hz - 10 kHz
