

CRAFT

Advanced keyboard
with creative input dial

COMPLETE CREATIVE CONTROL.

Introducing Craft, complete creative control at the desk. Type with confidence on a keyboard crafted for efficiency, stability and precision. Backlit keys light up the moment your hands approach and automatically adjust to suit changing lighting conditions. The creative input dial revolutionises the way you work by giving you instant access to the tool you need, the moment you need it. Touch the dial to instantly access a menu of functions, tap to change function and turn to change the selected function's value. The intuitive dial adapts to the app you're using – keeping you in your flow and completely focused on your work.
