

HyperDrive[®] Next

10 Port Business Class USB-C Dock

Introducing the HyperDrive[®] Next 10 Port Business Class USB-C Docking Station with pro-grade performance for productivity anywhere you work.

SRP: £179.99 | €199.99

SKU: HD7001GL / UPC: 817110017039

Work from anywhere with dual extended monitors for PC and MacBook with 10 ultra-fast ports.

Dual extended 4K monitor support for Windows, MacBook and Chromebook*

Enhance your productivity and multitasking capabilities by providing a spacious and immersive workspace, allowing users to simultaneously view and work on multiple high-resolution content, such as videos, images, documents, and applications, with smooth and crisp visuals.

*Software download and installation is required.

Transfer photos and video at 3X speeds with 312 MB/s SD 4.0

Provides significant time savings for video editing and photography workflows, as it allows for ultra-fast and efficient transfer of high-resolution images and videos, enabling seamless editing, quicker file backups, and accelerated post-production processes.

Fast and reliable gigabit ethernet

Provides high-speed and reliable wired internet connectivity, allowing for faster data transfers, seamless video streaming, and improved online gaming experiences.

Pass-through charging power with 100 W PD 3.0

Power and charge your devices up to 85W with a 100 W PD 3.0 charger* while using the hub, ensuring uninterrupted productivity making it ideal for power-hungry devices and busy professionals on the go.

*When connected to a PD 3.0 host.

Transfer data at 2X speeds with 10 Gbps USB 3.2

Enables lightning-fast data transfer, allowing users to move large files, backup data, and sync devices in a fraction of the time compared to traditional USB connections, increasing productivity and efficiency.

EcoSmart[™] sustainability without compromise

Faster speeds and better for the planet with 100% recycled aluminum and 75% recycled plastic.

Ports Specifications:
