

Passive holder

With screwed top. With AMPS, Vesa 75 holes. Fits devices without rugged frame and without handstrap.

Item no: 216297

EAN Number: 7320282162979

This holder is the perfect choice when you want to have your device extra firmly in place. The holder keeps your device in a firm grip in the holder. You can connect e.g. a charging cable to the device when it is in the holder. Attach the holder to any flat surface or a Pedestal Mount in a truck, distribution vehicle, warehouse etc. Predrilled AMPS and VESA 75 standard holes. You have full access to the camera and all buttons and outlets when the device is in the holder.

Made in Sweden. Made of high grade Acetal plastic. Color: Black. Devices should not be installed onto a vehicle's dashboard if blocking the view or key controls. An installation of a device in a vehicle is always done on the customer's own responsibility.

Fits the following models:

Zebra ET80
Zebra ET85
