

RJ45 Port Blocker key, Orange

No.: 47896

for No. 47897 and 47898

Description

- Quickly and easily block physical access to RJ-45 Network ports
- Prevent users from inserting cables, devices or foreign objects without permission
- Single port blocking key
- Port blockers available separately
- 2 year warranty

With the Lindy RJ-45 Port Blocker Key, the user can quickly block open network ports and easily prevent users from connecting cables, devices or inserting foreign objects without permission. This helps protect against unauthorised access to a network or system, as well as preventing unintentional or malicious damage to ports. It can also act as a visual cue, showing inactive or disconnected ports, ideal for use in schools, office or other public sector environments.

The semi-permanent RJ-45 Port Blocker is made up of a moulded plastic blocking cap that plugs securely into the RJ-45 port with a special insertion key. The blocker latches into the RJ-45 just as a network cable would and remains in place until removed using the insertion key.

To use, simply attach a blocker to the key and plug it into the port. Hold the blocker in place and pull away the Key. To remove simply insert the Key back into the blocker until it _clicks_ and pull it away.

Security Note : The Port Blockers will only act as a basic physical & visual deterrent to tampering. It will not prevent a determined attacker, intent on gaining physical access to a RJ-45 port.

Please note: this key is only compatible with the corresponding colour of port blocker.

Technical details

Physical Properties

- Dimensions [approx.] 20x74.55x5.9mm [0.79x2.94x0.23in]
- Housing Material _ ABS
- Net Weight _ 0.005kg [0.001lb]
- Colour Code _ Orange

Miscellaneous

- Packaging Type: Polybag
- Packaging Dimensions: 133x144mm [5.24x5.67in]
- Gross Weight: 0.010kg [0.02lb]
- Warranty (Years): 2
- Product Compliance: RoHS, REACH & California Proposition 65
