

Dual Ended SD and microSD Card Reader

Featuring dual-ended connectors—USB 3.2 Gen 1 Type-A and USB Type-C—it's compatible with a wide range of devices, including PCs, laptops, smartphones, the iPhone 16 series, MacBook Pro/Air, iPad Pro, and more. Designed for speed and versatility, this compact and durable card reader lets you access your photos, videos, and files instantly, anywhere. Perfect for professionals and everyday users alike!

5Gbps

Read/Transfer*

* Based on internal testing; performance may vary depending on host device.

- **Broad Compatibility:** Supporting both microSD and SD card formats and compatible with USB 3.1 Gen1, 3.0, and 2.0 ports, data transfers are quick and effortless on an array of devices.
- **Versatile Connectivity:** Dual ended with USB 3.2 Gen 1 (Type-A) and USB Type-C connectors gives you compatibility with various devices.
- **Reliable Data Transfer Speeds:** Transfer files quickly with speeds up to 5Gbps, making data access and storage a breeze.
- **Secure Caps:** Each end of the device is protected by a rubberised cap. The caps stay securely in place when not in use and are protected from accidental loss, thanks to the thin connecting strap.
- **Rugged, High-Performance Design:** Built to withstand demanding environments, this reader operates smoothly in temperatures from 0°C to 60°C, ensuring dependable performance for all your data needs.

PRODUCT & TECHNICAL SPECS:

Compatible card types	SD & microSD
Read/Transfer Speed:	5Gbps
USB Version:	3.2 Gen 1
Plug & Play	Y
Device Interface:	Type-A & Type-C
Product Colour:	Silver with Black Caps
Operating Temp:	0° to 60°C
Certification:	CE, UKCA, FCC, RoHs
Compatible OS:	Windows 10, 11; Mac OS X+ & Linux
Warranty:	5 Year Limited Warranty

PART CODE	BARCODE (EAN)
INCRUSB3.2ACSDMSDR	5055288450967
