

Dell Pro Precision 5 Series 14 Laptop

Purpose-built for Power Users and light design workloads.

Featuring the latest Series 3 Intel® Core™ Ultra processors and NVIDIA RTX PRO™ Blackwell generation graphics.

Extraordinary performance

Engineered to meet the needs of skilled industry professionals, the Dell Pro Precision 5 14 is an entry-level mobile workstation that delivers reliable performance for everyday workflows. It features up to Series 3 Intel Core Ultra 9 processors with a 50 TOPS NPU for localized AI tasks. The optional NVIDIA® RTX™ 500 Blackwell Generation graphics make it well-suited for handling a wide range of applications with efficiency. With rapid 8533MT/s memory and up to 2TB of Gen5 storage, you have the speed and capacity to keep your projects moving forward smoothly.

Elevated experience

Experience a new level of comfort and clarity with the redesigned 14-inch form factor, now featuring a modern aluminum top cover that adds a sophisticated, durable finish. The enhanced 16:10 aspect ratio gives you more vertical screen space to view your work, while the larger click-pad offers precise control for smoother navigation. You can also customize your viewing experience with options for up to a stunning QHD+ display and capture every detail with the optional 8MP IR camera, ensuring you look and feel your best during every video call.

Exceptionally mobile

Designed for productivity on the move, this workstation helps you take your work anywhere. Starting at just 3.98 lbs, its lightweight design makes your projects effortlessly portable. You can connect with confidence using advanced options like Wi-Fi 7 R2 and Bluetooth 6.0, keeping you linked to what matters most.

Simplify your setup with single-cable docking for a smooth transition between workspaces. The robust 72Whr 4-cell battery delivers the extended power you need to stay productive, ensuring your technology keeps up with your ambitions.

Expanded sustainability

Incorporates bio-based materials and recycled content. Employs 100% recycled packaging and shipping material. EPEAT 2.0 Goldregistered with Climate+ designation, Energy Star 9.0¹ and TCO10 certified products.

Excellent reliability

Tested and certified by leading ISVs to guarantee outstanding application performance, MIL-STD tested for durability against everyday wear and tear, and backed by a reliable warranty with optional service enhancements.

Simplify IT

Our most secure¹ and most manageable⁴ offerings make IT management a breeze

World's Most Secure Commercial PCs¹

According to Principled Technologies, no PC manufacturer offers the BIOS-level visibility Dell does.

SECURITY

Improve fleet-wide security with multiple layers of defense.

Reduce the attack surface and enhance long-term cyber resilience with [Dell Trusted Workspace](#)

Be secure from first boot with rigorous supply chain controls.

Maintain BIOS integrity with deep, firmware-level visibility.

Protect end-user identity from malware that looks to steal credentials.

Enrich OS-level data with PC telemetry to speed detection, response and remediation.

Layer on advanced threat protection from our ecosystem of best-of-breed software partners.

Shrink the IT-security gap with an integrated, AI-enabled solution

Explore hardware-assisted security with Dell, Intel & CrowdStrike.

[Learn More >](#)

MANAGEABILITY

Manage your fleet of PCs - reliably and easily

Help secure and optimize your endpoints and deliver end-user productivity with [Dell Manageability Solutions](#)

With **Dell Management Portal**, you can manage Dell PCs, over the cloud, in conjunction with Microsoft Intune.

[Dell Management Portal >](#)

Update and secure your fleet of Dell PCs, with one application – **Dell Client Device Manager**.⁵

Dell Trusted Update Experience makes it simple to update endpoints with the latest BIOS and driver versions. Dell is the only Top-5 PC vendor that:

Publishes² a device drivers and downloads release schedule:

IT Admins can deploy fleet-wide device updates on a predictable timeline.

[Learn More >](#)

Dell has the industry's first:⁵

Partner Portal accessible in Microsoft Intune, with fleet-wide BIOS password access capability and Enterprise application access and publication capabilities

Enterprise application with modular update and security deployment capabilities, within the Dell Partner Portal, accessible via Microsoft Intune

Binary Large Object (BLOB) package-based solution, for endpoint BIOS settings configuration, using Microsoft Intune

Hardware OEM systems management solution to integrate with Intel vPro

Simplify PC refresh with Dell Services

Enabling every step of the PC lifecycle

Dell Technologies APEX

1st and most comprehensive¹

As-a-service portfolio that spans from multi-cloud to client devices. Experience the flexibility to transform your IT and deploy the latest technologies at predictable costs.

Dell APEX PC-as-a-Service

Fully customizable monthly subscription that can include PCs, peripherals, software and services with no upfront investment.

[Dell APEX PC-as-a-Service \(PCAAS\) >](#)

Dell Premier

324%

ROI over 3 years⁵

Modernize IT purchasing by shopping your catalog in a tailored online solution. Gain control over the entire IT ecosystem to cut costs, standardize ordering, access analytics and more.

[Dell Premier >](#)

Modern Lifecycle Solutions

Asset Recovery Services

2.8B

Pounds of electronics recovered through all recovery programs since 2007²

Let Dell help you securely and responsibly retire your old IT equipment - regardless of brand - to allow for a seamless transition from old to new technology, while protecting both your business and the planet.

[Asset Recovery Services >](#)

ProDeploy Client Suite

PC refresh starts with getting new devices in the hands of your end-users. Dell ProDeploy Suite streamlines operations and increases productivity with configured PCs that are ready to use on day one with dynamic cloud-based provisioning and imaging.

When transitioning from old to new technology, ProDeploy Plus includes the ability to securely erase sensitive end-user data with sophisticated tools to sanitize devices and includes Asset Recovery Services for responsible retirement.

[Dell ProDeploy Client Suite >](#)

ProSupport Suite for PCs

ProSupport Suite is more than a 24/7 break-fix solution, it's a set of tools that automate and optimize your environment with little to no human intervention or end-user disruption.

Select from a robust library of Dell-authored scripts that correct company-wide issues quickly, minimizing remediation times and maintaining peak system performance. ProSupport Suite provides telemetry-driven data to arm IT with insights and make targeted updates, all controlled from a single dashboard.

[ProSupport Suite for PCs >](#)

Sustainable innovation

Material Innovation

Designed with up to 30% recycled plastic in the bottom cover, 50% recycled plastic in the palm rest and bezel, 50% recycled plastic in the inner frame, 30% recycled plastic in the speaker housing, 21% bio-based plastic in the bottom-cover and rubber feet, 26% recycled ocean-bound plastic in the fan housing, 20% reclaimed carbon-fiber in the bottom cover, 90% recycled magnesium in the palmrest, 50% recycled aluminum and 50% low-emissions aluminum in the top cover, 90% recycled steel in the display hinges and a battery made with 50% recycled cobalt.¹

It ships with an adapter designed with 90% recycled plastic in the case and 50% recycled copper in the cable.²

Packaging with purpose

This device ships in packaging made from 100% recycled or renewable materials, with multipack options for easier unboxing and reduced transportation and packaging waste.³

Modular and serviceable design

Designed for streamlined serviceability, the Dell Pro Precision 5 14 features modular components like a USB-C port, mainboard, and customer-replaceable batteries. These innovations simplify repairs, reduce unnecessary touchpoints, and help minimize e-waste.

[Parts, Batteries & Upgrades >](#)

Seamlessly transition from old to new technology

Turn legacy IT into upfront savings or cash back and upgrade seamlessly with secure and responsible IT asset retirement.

[Asset Recovery Services >](#)

Excellence in environmental standards

This product is certified ENERGY STAR, registered EPEAT Gold with Climate+ and carries the TCO Certified designation, meaning it meets the best-in-class standards for energy use and repair.⁴

Up-level your PC experience with Dell Displays and Accessories

Fuel productivity and collaboration with a complete Dell ecosystem that is engineered and tested for a seamless experience with your Dell Pro Max 14.

1. Offering may vary by region. Some items may be available after product introduction. For complete details, refer to the Owner's Manual published on www.dell.com/support.
2. System Memory and Graphics: Significant system memory may be used to support graphics, depending on system memory size and other factors.
3. 4GB or Greater System Memory Capability: A 64-bit operating system is required to support 4GB or more of system memory.
4. Particular versions of Microsoft Windows may not support the full functionality
5. Storage Option: GB means 1 billion bytes and TB equals 1 trillion bytes; actual capacity varies with preloaded material and operating environment and will be less.
6. TPM is available in selected regions.
7. Please refer to www.epeat.net for specific country registration rating and participation.
8. Limited Hardware Warranty: For copy of Ltd Hardware Warranty, write Dell USA LP, Attn: Warranties, One Dell Way, Round Rock, TX 78682 or see www.dell.com/warranty.
9. Onsite service after Remote Diagnosis: Remote Diagnosis is determination by online/phone technician of cause of issue; may involve customer access to inside of system and multiple or extended sessions. If issue is covered by Limited Hardware Warranty (www.dell.com/warranty) and not resolved remotely, technician and/or part will be dispatched, usually within 1 business day following completion of Remote Diagnosis. Availability varies. Other conditions apply.
10. Dell Services: Availability and terms of Dell Services vary by region. For more information, visit www.dell.com/servicedescriptions.
11. For complete listing of declarations and certifications, refer to the Dell Regulatory and Environmental Datasheet found in the Manuals section of Product Support information www.dell.com/support/home/us/en/19.
