Wall Mount PDW T XL-2

Mount for NEC Large Format Displays

Universal X-Large wall mount with tilt function for NEC Large Format Displays from 55" to 98"

The PDW T XL-2 delivers enhanced display compatibility, accommodating Large Format Displays for use in either landscape or portrait mode. Its open wall plate architecture delivers placement flexibility and increased electrical and cable management access. Unique pre-tensioned tilt display adapters provide one-touch tilt viewing angle adjustment completing the perfect flat panel installation.

Mount PDW T XL-2 side view

Video conferencing shelf PD01VC (optional)

Delivering Genuine Benefits

- Only one mount for landscape and portrait orientation
- Universal display adapters easily hook onto wall plate for fast installation
- Tilt adjustment up to 15° of forward tilt and -5° backward tilt for optimal viewing angle
- Offers pre-set tilt positions of -5°, 0°, 5°, 10°, 15°
- Pre-tensioned universal tilt display adapters allow for tilt adjustment without the use of tools
- Easy-grip lever locks the display position into place
- Integrated security options available
- Optional video conferencing shelf PD01VC available (mounts directly to the wall to install above or below the display)
