

## Power Pack

00201752 Qi2 Wireless Power Pack, 10000mAh, Inductive Charging, anthracite

### Highlightstext:

- Wireless, fast and mobile charging: wireless charging power bank with precise, magnetic alignment - simply place and wirelessly charge all compatible smartphones, no matter whether you're at home, in the office or out and about
- Wireless power bank provides an energy boost on the go: take photos, write messages or watch videos, just keep using your iPhone while you charge it wirelessly
- The integrated magnetic ring means that compatible devices can be easily docked onto the charger and perfectly positioned for efficient charging - without any fiddly manual alignment
- Inductive charging technology for the wireless charging of compatible smartphones
- Certified cells for maximum quality and safe charging: overcharge, overvoltage, overheating and short circuit protection
- Optimized charging process saves the battery thus extending its service life
- The induction charger works with all original Apple MagSafe products and Hama mobile phone cases with magnetic ring
- Thanks to charge through, you can charge your mobile phone with the power pack while the power bank itself is charging at the same time
- One charge of the battery pack is enough to fully charge the Apple iPhone 14 twice, for example
- Via the USB-C connection, the power pack is fully charged in approx. 3.5 hours
- The tedious search for a charging cable and the tangle of cables are no more thanks to the wireless power pack
- Charging begins automatically after the smartphone is docked / placed on the portable charger
- To end the charging process, simply detach the smartphone from the external battery

### Note for Consumers:

The charging function can be used with any smartphone that supports inductive charging.

Please check the product information of operating manual of your smartphone or contact the manufacturer to see whether your smartphone supports wireless charging technology.

### Technical characteristics:

- Colour: Grey
- Shade of colour: Anthracite
- Connection (Input): USB-C-coupling
- Number of Outputs: 1
- Capacity: 10000 mAh
- Charge Technology: Power Delivery 3.0/Wireless Fast Charge
- Upload Speed: Fast Charge
- W x H x L: 68 x 15.8 x 102 mm
- Weight: 196 g
- Component: USB-Type-C-Cable
- Recommended Use: Smartphone

### Delivery:

- 1 Qi2 wireless power pack
- 1 USB-C charging cable
- 1 instruction manual
