

# Acer TravelMate P2

(TMP216-51-TCO-573T)

The durable and sustainably designed TravelMate P2 features improved performance, business-grade security, and a highly refined user experience for work and video conferencing that makes it one of the best value laptops for small businesses.

- Processor: Intel® Core™ i5-1335U
- Display: 16" Acer ComfyView™ WUXGA IPS (non-glare)
- Memory: 8 GB DDR4 RAM
- Mass storage: 256 GB SSD
- Graphics card: Intel® Iris® Xe Graphics
- Operating system: Linux (eShell)

|-----------------------------|------------------------------------------------------------------|
| Display size                | 16.0"                                                            |
| Display type                | Acer ComfyView™ WUXGA IPS Display with LED-Backlight (non-glare) |
| Display resolution in pixel | 1920 x 1200                                                      |
| Aspect ratio                | 16:10                                                            |

### Processor and chipset

|                            |                                                             |
|----------------------------|-------------------------------------------------------------|
| Processor                  | Intel® Core™ i5-1335U Processor                             |
| Clock frequency            | 1.30 GHz (Up to 4.60 GHz Intel® Turbo Boost Max Technology) |
| Cache                      | 12 MB Intel® Smart Cache                                    |
| Processing cores / threads | 2 Performance-cores + 8 Efficient-cores / 12 Threads        |
| Chipset                    | Integrated SOC                                              |

### Storage and drives

|                      |                                                                                 |
|----------------------|---------------------------------------------------------------------------------|
| Memory               | 8 GB DDR4 RAM                                                                   |
| Memory configuration | 1 x 8 GB DDR4 RAM                                                               |
| Maximum RAM          | Up to 16 GB of DDR4 system memory, upgradable to 32 GB using two soDIMM modules |
| Mass storage         | 256 GB PCIe NVMe Solid-State-Drive (SSD)                                        |

### Graphics card

|               |                          |
|---------------|--------------------------|
| Graphics card | Intel® Iris® Xe Graphics |
|---------------|--------------------------|

### Connections

|                         |                                                     |
|-------------------------|-----------------------------------------------------|
| LAN                     | Intel® Ethernet Connection I219-LM Gigabit Ethernet |
| Wireless LAN            | Intel® Wi-Fi 6E (802.11 ax)                         |
| Wireless WAN / SIM-Card | -                                                   |
| Wireless Gigabit        | -                                                   |
| Bluetooth               | Bluetooth® 5.1                                      |
| NFC                     | -                                                   |

### IO ports

|                  |                                              |
|------------------|----------------------------------------------|
| HDMI             | HDMI® 2.0 port with HDCP support             |
| VGA              | -                                            |
| Displayport      | -                                            |
| Thunderbolt      | Thunderbolt 4 über USB-C                     |
| USB 3.2          | 2x with one featuring power-off USB charging |
| USB 3.1          | -                                            |
| USB 3.0          | -                                            |
| USB 2.0          | -                                            |
| USB 4.0          | -                                            |
| Ethernet (RJ-45) | Yes                                          |
| Cardreader       | MicroSD Card reader                          |
| Audio port       | 3.5 mm headphone/speaker jack                |
| Docking port     | Yes                                          |

### Input

|                  |                                       |
|------------------|---------------------------------------|
| Keyboard         | 99-/100-/103-key Acer keyboard layout |
| Keyboard layout  | German (QWERTZ)                       |
| Backlit keyboard | Yes                                   |
| Touchpad         | Multi-gesture touchpad                |
